

HEALTH DATA
COLLABORATIVE

DATA FOR HEALTH AND
SUSTAINABLE DEVELOPMENT

Monthly Stakeholders Representatives Group Meeting

17th March 2022

Chair: Steve MacFeely(WHO)

www.healthdatacollaborative.org

Meeting Objectives:

To present an update on resourcing the HDC workplan

To present a progress update on the new HDC website

To get feedback on next Global Partners Meeting

AGENDA

Welcome & introductions (chair)

5 mins

Workplan and Governance

20 mins

- Update and discussion on work plan funding (for discussion)
- HIS investment case update (for discussion)

Comms and events

15 mins

- HDC website update (Liquid Light)
- Biannual Global Partners Meeting agenda (for approval)

Next steps: Chair

5 mins

2022-2023

Resources and progress

4 Strategic shifts 2022-23

DIVERSITY
(>countries, CSOs,
Private sector,
RATs and build on
SDG GAP
partnership)

1

**COMMS &
ADVOCACY
STRATEGY**
(increased use of
website)

2

SCALING UP
(using support for
regional platforms
and country
coordination
teams)

3

**INVESTMENT
CASE**
(for country HIS /
SCORE - technical,
financial,
political)

4

Country engagement in HDC - target 16 by end 2022

Active	Re engaging	Inactive	'New' countries being approached
<ol style="list-style-type: none">1. Kenya2. Malawi3. Botswana4. Uganda5. Tanzania6. Zambia7. Cameroon8. Nepal	<ol style="list-style-type: none">1. Bangladesh2. Indonesia	<ol style="list-style-type: none">1. Myanmar	<ol style="list-style-type: none">1. Niger (health observatory)2. Sudan3. Pakistan (SDG GAP)4. Burkina Faso (previous engagement)5. Lao

Challenge: strengthening country constituency and diversity - fragile settings

RHIS investment case

Target audience: MoF / country level decision makers and global advocates to make case for HIS investments

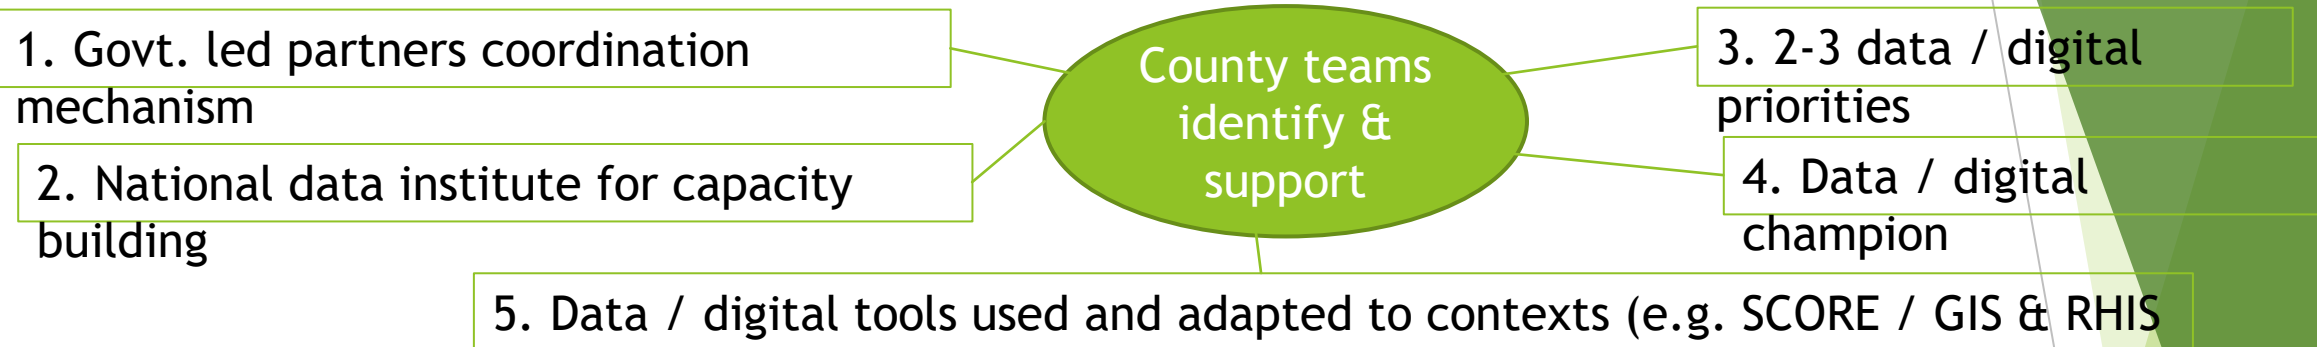

Scope:

Making the case for why investing in HIS is crucial to reach health SDGs

1. Return on investment in RHIS (4 levels)
2. Use of SCORE as potential framework for RHIS investment
3. Suggested prioritized countries (HDC)
4. Advocacy needed Q4

HDC 2022-23

Objective 1: To strengthen country capacity to plan, implement, monitor and review progress and standardize processes for data collection, storage, sharing, analysis and use to achieve national health-related targets.

Milestone

	2022 Q1	2022 Q2	2022 Q3	2022 Q4	2023 Q1	2023 Q2	2023 Q3	2023 Q4
COVID 19 country cases documented, disseminated	Consultant, finalize		Disseminated					
Good practices for tracking communities		Community WG		Disseminated				
Asia institute hosted GPG				Secretaria				
Regional institute hosted GPG								Secretaria
Compilation of RHIS standards, good practices, guides & tools	RHIS WG		Disseminated & linked to investment case					
Integration of public health & humanitarian diseases		RHIS WG						
CRVS WG continued support for Global CRVS SIP					CRVS WG

Objective 2: To improve efficiency of technical and financial investments in health data and digital systems through collective actions and aligning with country-identified priorities

1. Govt. led partners coordination mechanism

2. National data institute for capacity building

3. 2-3 data / digital priorities

4. Data / digital champion

5. Data / digital tools used and adapted to contexts (e.g. SCORE / GIS & RHIS strategy)

Milestone

	2022 Q1	2022 Q2	2022 Q3	2022 Q4	2023 Q1	2023 Q2	2023 Q3	2023 Q4
Regional data institutes identified in all six regions					supporting advocacy, technical support & capacity building			
Review of partner alignment of resources with Govt plans		Consultants						
RHIS strategy finalized & disseminated		RHIS WG	Disseminated					
Support to implement CRVS Kenya workshop	CRVS WG							
Support for Malawi CRVS work shop			CRVS WG					
Community HW master list / registries created			Community WG					
Analysis of initiatives better detection & response to PH emerg.			PHI					

HDC 2022-23:

Objective 3: To increase the impact of global public goods and tools on country health data systems through increased sharing, learning and country engagement.

1. Govt. led partners coordination mechanism

2. National data institute for capacity building

3. 2-3 data / digital priorities

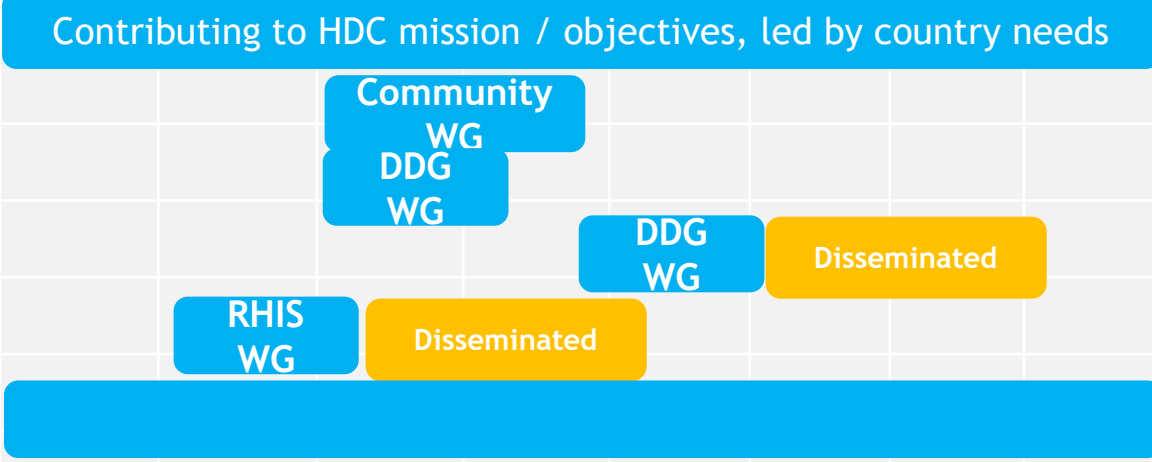

4. Data / digital champion

5. Data / digital tools used and adapted to contexts (e.g. SCORE / GIS & RHIS strategy)

Milestone

2022 Q1	2022 Q2	2022 Q3	2022 Q4	2023 Q1	2023 Q2	2023 Q3	2023 Q4
---------	---------	---------	---------	---------	---------	---------	---------

- All HDC WGs: 7 constituencies representation, ToRs, deliverables
- CHW master list / registries
- Health Data principles
- Health Data & digital framework (focus on civil society)
- Compilation of country specific documentation
- SCORE adapted & implemented in all countries

HDC 2022-23:

Objective 4: To ensure HDC has governance processes and structures in place to provide transparent accountability mechanisms to all countries and partners, communications to all stakeholders, and advocacy to strengthen political capital.

1. HDC, SDG GAP & WG related calls & follow up

2. Biannual HDC SDG GAP D+D Global partner events

Functioning
HDC
secretariat

3. Functioning website, knowledge brokering, advocacy

4. Quarterly reviews, outreach and annual reports

5. Workplan linked to UHC2030 / SDG GAP goals accountable to SRG

Milestone

	2022 Q1	2022 Q2	2022 Q3	2022 Q4	2023 Q1	2023 Q2	2023 Q3	2023 Q4
Increase country # membership	11			16				22
Increase HDC institutional membership from 2021 levels				>25 %				>50 %
HDC leadership event (political commitment HDC & Data Summit)					Commission	Implement		Use results
Commission & implement independent evaluation of HDC	Commissi	Disseminate		Political advocacy				
Commission and present investment case for HIS / SCORE	Feedback / redesign			Functioning / accessible / knowledge brokering				
HDC website revised functional	Available to all HDC partners used for communications & advocacy							
HDC partnership member data base actively managed								

Resource estimates

Objective (activities in excel sheet)	Political & technical resources	Estimated budget
1.1 Strengthening country HIS capacity	SRG, PHI + CRVS WGs	255,00USD
1.2 Aligning resources with country priorities	SRG, secretariat, community, RHIS + community WGs	270,000USD
1.3 Adapting global goods to local contexts	SRG, secretariat, DDG, community + RHIS WGs	330,000USD
1.4 Secretariat and HDC Governance	SRG and political leadership in each agency, HDC secretariat	600,000USD
Total		1,455,000 USD

For discussion

- ▶ Countries / country follow up
- ▶ Resources for implementing HDC work plan
 - ? Pooled mechanism? Thoughts?
 - ?Flow through multi laterals / secretariat
 - Specific WG products
- ▶ Country specific fund flows

HDC Website Update

GLOBAL PARTNERS MEETING

7th April, 2022

Meeting Objectives

To follow up on implementation of the Workplan 2022-2023 and discuss technical, financial and political resources required

To provide a status update of working group outputs and deliverables

To update on the added value of each of the seven constituencies with a focus on civil society and the private sector

Session 1: For information and inputs – Status update (December - March), Update and review of Milestones and Workplan 2022-2023

- ▶ Presentation and detailed discussion of Milestones and Workplan 2022-2023 with a focus on technical, financial, and political resources needed to achieve objectives.
- ▶ Presentation of Reports on alignment of partners' technical and financial investments for strong data systems
- ▶ Presentation of initial HIS investment case, as outcome from December meeting.
- ▶ Presentation on strategic priorities including website

Session 2: For information and decision – Working Group update

- ▶ Presentation: Working group action tracker status by Secretariat
- ▶ Action tracker on outputs on deliverables and status. Secretariat to present and WG to reflect
- ▶ Discussion: What working groups need to succeed, overview of major achievements and challenges

Session 3: For information and decision: Constituency added value

- ▶ Presentation on added value of each of the seven constituencies as they relate to the HDC Mission and Objectives.
- ▶ Presentation and discussion on civil society and private sector needs from HDC partners.

Decision points:

- ▶ Confirmation of representation, in country focal points/representation

The background features abstract, overlapping geometric shapes in various shades of green, ranging from light lime to dark forest green. These shapes are primarily located on the left and right sides of the frame, leaving a large white central area. The shapes are composed of triangles and polygons, some of which are semi-transparent, creating a layered effect.

Thank You!
