“State of UHC Commitment”

- Multi-stakeholder review of progress on UHC commitments
- Complements Global Monitoring Report (service coverage, financial protection)
- *Countries have made a wide range of commitments to UHC . . . Many prioritized equity . . . Gaps persist between policy, implementation and results . . . COVID-19 brought additional challenges . . . Need strategic approaches based on resilient and equitable health systems . . . Increase participation of non-state actors . . . identify and reach vulnerable communities . . . enhance collaboration with non-health sectors.*

UHC2030 health systems “push”

[Link: HSS Paper \(uhc2030.org\)](https://uhc2030.org)

- A strategic narrative for strengthening health systems; guide national, regional and global advocacy and action.
- A “shared script” for dialogue between UHC2030 partners and governments (especially ministries of health + ministries of finance)
 - Promote political leadership
 - Mobilize better-aligned resources
 - Demand and act for solidarity and equity
- + Inform priorities for UN High-Level Meeting on UHC in September 2023

Let's work together
towards good health
& wellbeing for all.

UHC LEAVES NO ONE BEHIND.
